make and do!

Make Christmas Reindeers!

Make these Christmas reindeers and hang them up to decorate your home.

You will need:

Brown craft foam
A pencil
Scissors
Black felt-tip pen
Red craft foam
Sequins
Googly eye
Red pompom
Brown pipe cleaner
An adult to help you.

What to do:

1. Put your hand on the brown craft foam. Spread your fingers as wide as you can, and draw around your hand. Then cut out the shape.

4. Glue googly eye and a red pompom nose.

5. Cut the pipe cleaner in half and fold it in half again to make the reindeer's antlers. Glue them on.

2. Colour in four fingers with the black marker pen to make the reindeer's hooves.

3. Glue on a collar using a strip of red craft foam and decorate it with sequins to make it sparkle.

6. You can thread some string on to your reindeer and then you can use it to decorate your home.

A big thank you to James and his parents for helping with this activity.
