A crossword puzzle grid is shown. The grid consists of white squares for letters and black squares for empty space. The grid is shaped like a cross with a vertical stem of 5 squares and a horizontal bar of 3 squares. The intersection is a single square. Clue 1 is at the top of the vertical stem, and clue 2 is at the left of the horizontal bar. To the right of the grid are two illustrations: a brown teddy bear wearing a blue and green patterned shirt, and a purple backpack with green and yellow circular patterns.
