Milly's Snowflake Patterns

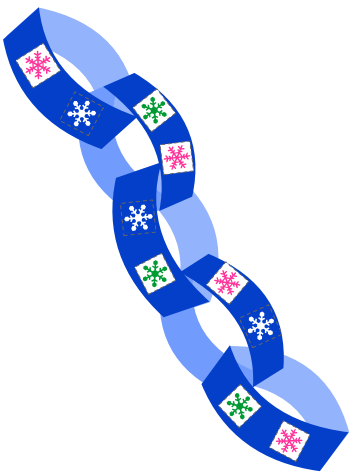

Umfriend, these snowflake garlands are missing some of their snowflakes and I need YOUR help to fix them.

Look at each pattern closely. Then choose the correct snowflake sticker to stick in each space to finish the patterns.

Snowflake Stickers

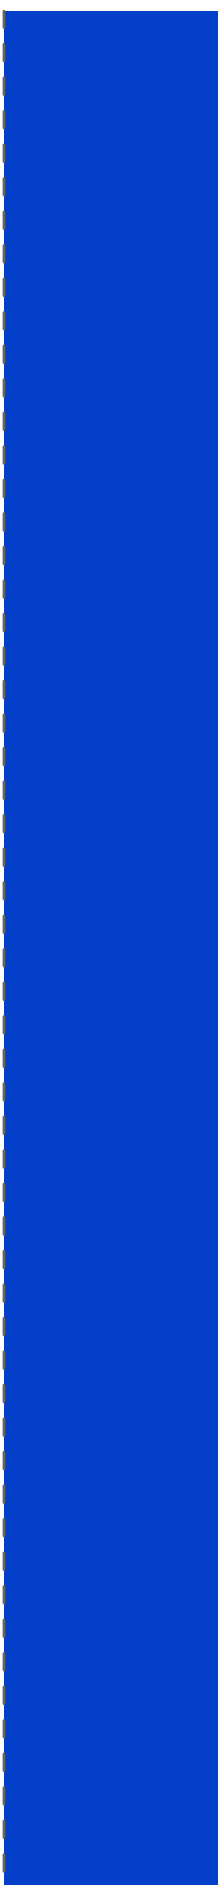

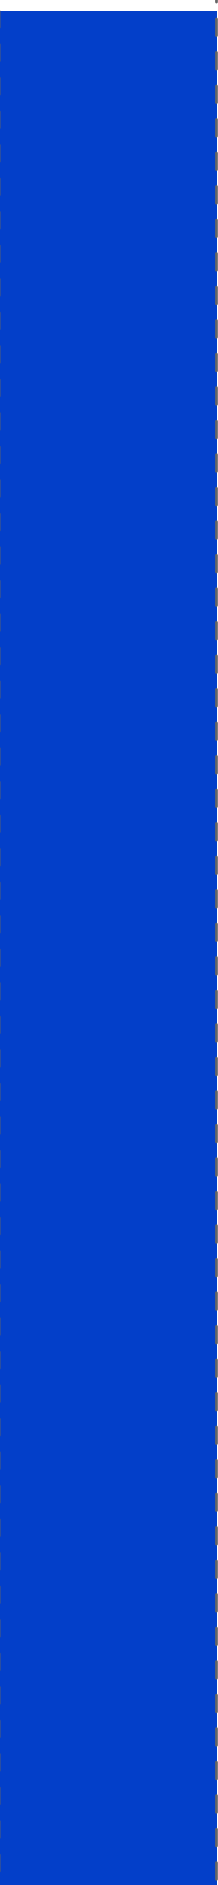

Make Snowflake Chains

Help kids cut the strips along the dotted lines and have them make patterns with the snowflake stickers. Show them how to make a loop out of one of the strips and tape or glue the ends where indicated. Stick another strip through the loop and seal the ends. Repeat until your chain is the desired length and you're ready to put it on display!
